Camper/Parent Questions

1. Has your child attended our Science Olympiad Camp in the past? If so, is there an event he/she would like to see again this summer?

2. Has your child had experience with Legos or Lego Robotics? Please give examples of his/her experiences.

3. Would your child like to be grouped with another friend attending? If so, please list up to two names below. We will do our best to place them in the same group. Be reminded that this may require coordinating weeks.
